

演示截图

1、 启动

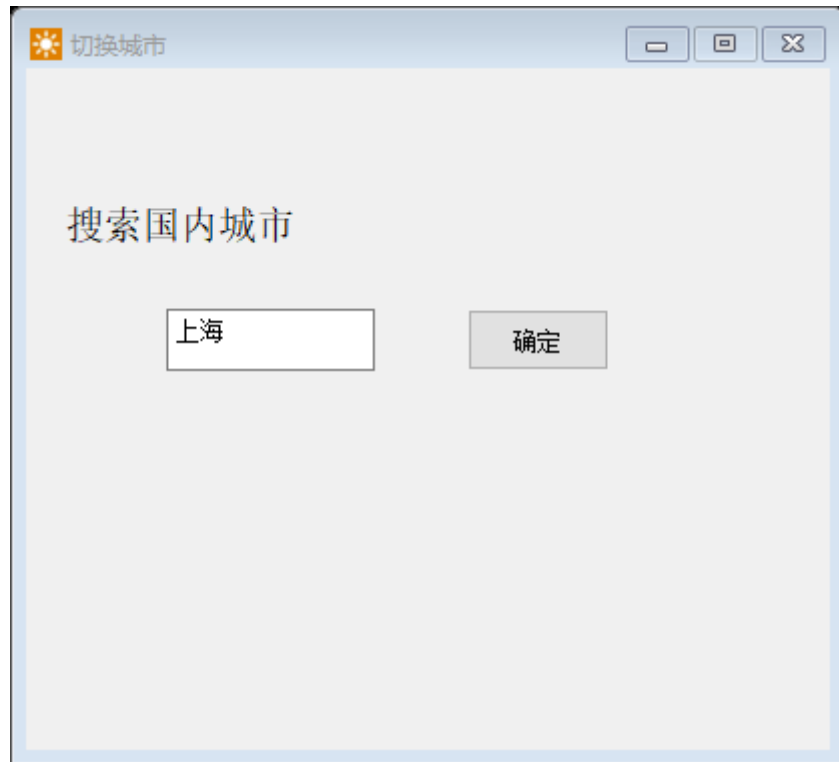

2、 点击左上角“+”按钮

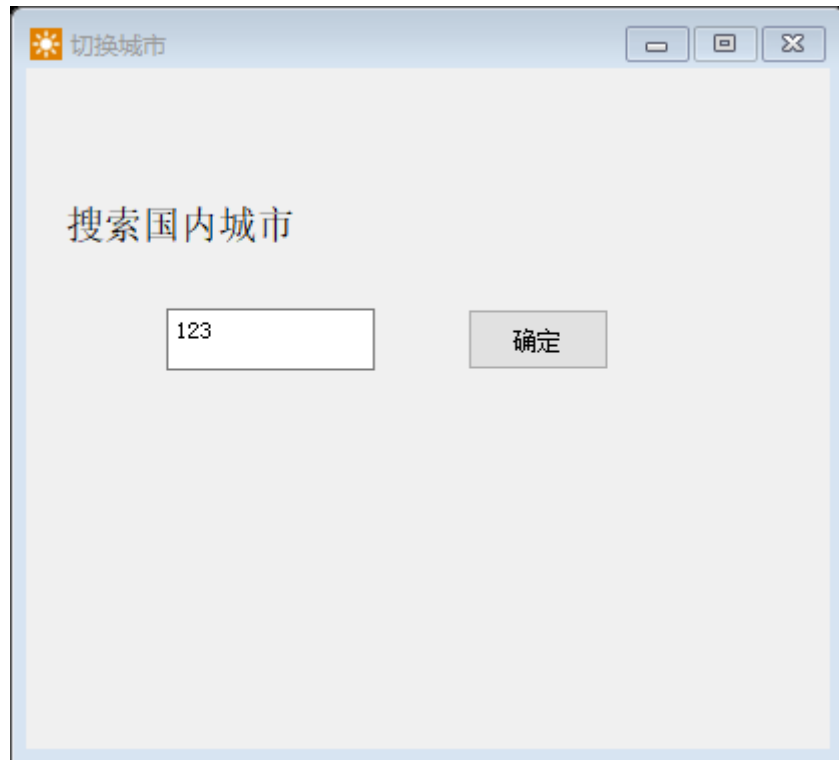

3、 输入目标城市

(1) 输入名字

A screenshot of a software window titled "切换城市" (Switch City). The window has a light blue header bar with a sun icon and standard Windows window controls (minimize, maximize, close). The main area is light gray and contains the text "搜索国内城市" (Search domestic cities). Below this text, there is a text input field containing the characters "上海" (Shanghai) and a gray button labeled "确定" (Confirm).

(2) 输入编号

A screenshot of the same "切换城市" (Switch City) window. The text input field now contains the number "123". The "确定" (Confirm) button remains visible to the right of the input field.

(3) 错误输入

4、单击“确定”按钮

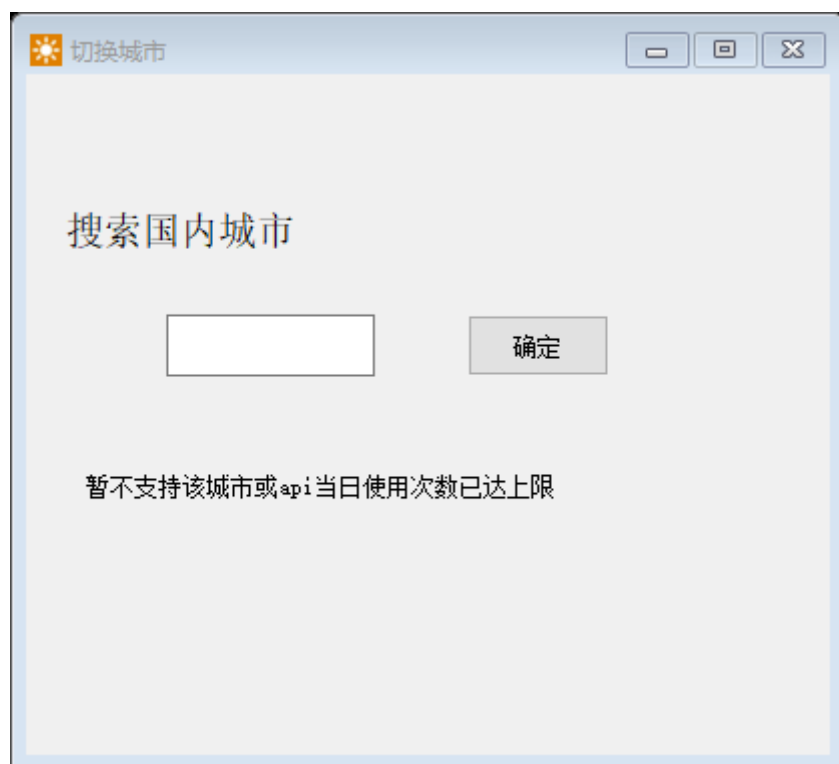

(1) 输入名字的返回结果

(2) 输入编号的返回结果

(3) 错误输入的返回结果

5、 单击右上角“.”按钮

6、 关闭程序，重新启动
